Palma de Mallorca

PALMA DE MALLORCA IS A SOURCE OF INSPIRATION

Mallorca is the largest of the Balearic Islands off the east coast of Spain. And Palma is its sparkling capital on the Mediterranean Sea. Though famous for its coastal caves and gorgeous beaches, there's so much more to this historic city than sand and surf. The Romans founded Palma and named it after all the palm trees. The Moors passed through as well, leaving behind a stunning fortress and the Arab Baths. And the mysterious stone monuments scattered around the island are remnants of the ancient Talaiots. With its rich history, vibrant nightlife, and laidback Spanish culture, it's no wonder why Palma de Mallorca has been a longtime favorite for vacationers and artists alike. Poised on a sea wall above the marina, the city's massive gothic cathedral is a breathtaking sight. Locals call it "La Seo" and it's home to the world's largest rose window. Perched atop a hill overlooking the city is the Bellver Castle, a stunning example of medieval military architecture. And for an unforgettable experience, visit the Caves of Drach, which feature marvelous stalactite and stalagmite formations.
